The screenshot displays the Tableau Public interface for a dashboard titled "Startup Funding by City". The dashboard is composed of three main visualizations: a map of India showing startup locations, a bar chart titled "Amount in USD" showing funding amounts by city, and a table titled "Startup Details" listing individual startups. The interface includes a Data Source pane on the left, a Columns and Rows shelf at the top, and a Marks card in the center. The main view displays a bar chart of "Amount in USD" by "City Location". The status bar at the bottom indicates 24 marks, 1 row by 275 columns, and a sum of 7,063,008.
